# NORTHWEST CROSSING

## NOTES FROM THE PRESIDENT’S DESK

THANK YOU once again to all the more than 95% of NWC homeowners who have taken care of their 2024 Annual Assessment. Your Board of Directors along with the able assistance of our management company, Patriot, have searched out and found some high-rate certificates of deposit to make our funds work for us.

I recently represented NWC and District 6 on a Short-Term Rental (STR) Task Force to review and make recommendations to improve the City’s STR Ordinance. I believe the results will improve the ability of the City to fairly collect the Hotel Occupancy Tax, clarify some of the rules governing STRs, and more efficiently deal with problem properties. The STR Task Force hopes our recommendations will be approved by City Council before summer.

With the end of the cold weather, growing season is upon us, so please begin your summer yard maintenance operations to keep our neighborhood looking great. If you are planning any outside home improvements be sure to submit an Architectural Control Committee (ACC) form BEFORE you begin work.

The pools will begin operations in mid-May, so be sure your CellBadge information is up to date to ensure pool and tennis court access on day one. We are hiring Pool Attendants, so if you are interested, please contact [bryanheathnpm@yahoo.com](mailto:bryanheathnpm@yahoo.com).

A new State law has gone into effect regarding HOA Covenant violations and the process and timing of resolution and fines (see page 3 for more details). Patriot has had great success in the “Face-to-Face” meeting process that began last year. It will continue as long as there is interest. The schedule is the first and third Tuesday and the second Wednesday of every month during regular office hours.

Have a great Spring and continue to be good neighbors.
