

NORTHWEST CROSSING

NOTES FROM THE PRESIDENT'S DESK

Happy Holidays Everyone! We see decorations already brightening the neighborhood and lifting spirits.

Thank you to all that attended the Trunk-or-Treat event. It was a huge success even with the small amount of rain we had! A big thank you to Karen and Mary who organized the event. Thanks also to the Taft High School students who ran the games, All Things Balloon, Painting Outside the Box (face painting), and Kona Ice. All were big hits! Thanks also to Dusty and Robin Hathorne for managing the bounce castle. You'll find a link of all the fun photos on page 9 of this newsletter, and on Facebook as well.

Your Board approved the 2026 budget confirming that the 2026 Annual Assessment will remain at \$250 for the ninth straight year. You will be receiving your statement, annual meeting notice, and proxy form in the coming weeks. If you cannot attend the annual meeting on January 22nd, please complete the proxy form and drop it off at the On-site Office by 5pm that day. Meeting starts at 7:00pm with a 6:30pm sign in at the Weybridge Clubhouse.

As he has for the past 20+ years, Dusty has kept our Association property in good shape, overseeing our pool, landscaping, electrical and plumbing contractors, as well as his maintenance crew. He also stays in constant contact with our security team and our SAFFE Officers. They work hard to deter crime in our neighborhood. Please do your part by securing your property, locking your doors (car and house), watching out for and reporting suspicious activities, and staying in touch with your neighbors. The holidays mean more package deliveries and porch pirates. Please help your neighbors by being vigilant and offering to secure delivered packages.

The Post Office (USPS) is struggling to keep up with mail crime along with the damage to Cluster Box Units (CBUs). When the USPS decides to take a CBU out of service and force folks to drive seven miles to the Richland Hills Post Office and stand in line for extended periods, we think they should find a better way and get the mail delivered. We have spoken with Congressman Castro's staff about this and hope a solution that does not further burden their customers can be found.

Stay well and safe and have a very Merry Christmas and Happy New Year.

LOOKING TO VOLUNTEER?

https://visitsanantonio.galaxydigital.com/agency/detail/?agency_id=168953

NWC Association holds board member elections annually. Have you ever considered getting involved?

What is the Board of Directors?

The Board of Directors consists of elected, volunteer Northwest Crossing homeowners. They are not paid for their time, nor do they receive discounts on their annual assessments. Positions vary by term length as follows:

- Five, 3-year term positions
- Two, 1-year term positions

The elected Board collectively determines which members will fill specific officer positions - President, Vice President, Secretary, Treasurer, and three positions for Member at Large. There is no limit to the number of times a resident can be re-elected to the Board.

How does one get elected to the Board?

Elections for Board positions are held at the NWC Annual Homeowners Meeting in January. NWC homeowners in good standing are eligible to be nominated for Board positions. Votes are cast and tallied at the Annual Homeowners Meeting.

Homeowners interested in being nominated to serve on the Board may contact the On-site Office. They may also want to contact neighbors to introduce themselves, encourage attendance at the Annual Homeowners Meeting, and/or provide them with proxy forms. Nominations may also be made at the Annual Homeowners Meeting. Intention to nominate does not have to be expressed ahead of time.

What is a proxy form?

The proxy form is part of the Annual Homeowners Meeting notice and is mailed with the annual statement to each homeowner in December. By completing the form:

1. You acknowledge the scheduled Annual Homeowners Meeting even if you cannot attend.
2. You give the Association permission to count your proxy for the purposes of obtaining a quorum.

Does the proxy form give away my vote?

In addition to helping the Association acquire a quorum, the proxy also gives homeowners the option to transfer their votes for any elections or other decisions that require a vote to:

- another NWC homeowner
- an NWC Board member
- or to the existing Board of Directors as a group.

If the space indicated for vote transfer is left blank, the homeowner's vote will not be transferred; the proxy will be used for the purpose of acquiring a quorum only. Proxy forms may be requested from the On-site Office. For the proxy form to be counted, completed proxy forms must be received by the Association by date specified on the form.

Save By Filing For the Homestead Exemption

Filing for your homestead exemption could save you about \$3,000 a year!

For example, a home worth around \$310,000, property taxes are about \$7,135 per year without exemptions, based on Bexar County's average 2.30% rate. After filing your homestead exemption, your tax bill could drop to about \$4,121, and that is a major yearly savings that really adds up.

If you file late, you can usually get a refund for up to two years for regular, age-65, or disabled exemptions. Disabled veterans may qualify for up to five years of refunds. (Source: BCAD.org)
